

BLUMEN 10.0

ANNOUNCING THE LAUNCH OF NEW VERSION - BLUMEN 10.0

PRE-ORDER BLUMEN 10.0 NOW & SAVE \$ 50.00

INTRODUCING NEW FEATURES IN BLUMEN 10.0:

- ★ **UNLIMITED CUSTOM FIELDS:** This new section gives you the ability to add unlimited customized fields to the database to track additional information about your students.
- ★ **INVENTORY MANAGEMENT:** Keep track of your valuable equipment! You can use this section to track laptops, books and other materials loaned to your students.
- ★ **ALUMNI TRACKER:** Make use of the comprehensive tracking tool to manage post-graduation information for past graduates/drop-outs for improved APR reporting.
- ★ **SHARE CUSTOM REPORTS:** All Blumen users can download custom reports through a web-based platform.
- ★ **STUDENT SELF-SERVICE INTERFACE:** Students can use this tool to sign in and sign out for lab use, events etc. for better data tracking and management.

AND IMPROVING UPON EXISTING OPTIONS:

- ★ **Additional Reports**
- ★ **Comprehensive APR Data Verification**
- ★ **Better & More Flexible Filters**
- ★ **Yearly Student Promotion based upon Credit Hours Earned**
- ★ **Improved Data Merge Tool**
- ★ **Improved Bulk E-Mail Tool**
- ★ **Unlimited Users with Screen-level Security & Data Encryption**
